

FAKE FEAR VS. REAL FEAR

JANUARY 8, 2022 EDITOR 9 COMMENTS

by Br. Alexis Bugnolo

Those who have taken the DeathSerum are gripped in mind and heart with the fear of the Virus!

But such a fear is irrational and not fact based.

Because:

1. SarsCov2 has never been found to exist in any human body.
2. SarsCov2 has never been found to exist in any animal body.
3. SarsCov2 has never been isolated by any laboratory in the world.
4. There is no evidence that anyone who is alleged to die of Covid-19 died of SarsCov2
5. SarsCov2 is the name given to an artificially constructed Genome read over the telephone from a Marxist Laboratory in Wuhan, to the CDC in the U.S.A.
6. The Pandemic does not exist, it was declared after alleging 140 deaths.
7. The symptoms of Covid-19 were found in those who were previous vaccinated for the winter flu in the fall of 2019, and therefore, the only reasonable conclusion is that the cause of that syndrome is some toxin in vaccines.
8. The alleged deaths from Covid-19 are less than the winder flu in 2018.
9. The PCR test, according to its true inventor, cannot be used for clinical diagnosis.
10. Thus, when you are told you have or had Covid-19 because of a positive PCR test, it is a COMPLETE LIE.
11. Those who are telling you there is a Pandemic are all bought and paid by BigPharma which has made more then 300 Billion off this scam.

But, while the fear of the Pandemic is a false fear, there is a real fear. Because in truth there is an international conspiracy of Globalists to genocide and enslave humanity:

1. Via a Vaccine Passport system which will never go away, and without which you will not be allowed to have any human or civil rights.
2. The mRNA serums contain 40 factors which WILL cause instant, sudden or premature death AND/OR grave or permanent disabilities.
3. The Covid Serums insert a self-assembling 4G/4G wireless router which will tag you like a cow for the rest of your life, and transmit your most personal medical information to the internet.
4. The Covid Serums are not vaccines, they are nano-technology designed to rape your DNA and natural immune system and insert toxins, particles, genetic material and chemicals to kill, maim or take control of your mind, body, heart and organs.
5. The Death Serum campaign aims to kill off 6.5 billion human beings and make those who survive it into genetically modified organic robots of the Globalist elite.
6. The Globalist Cabal, which is perpetrating this crime against humanity are pedophiles, satanists and participate in satanic sacrifice of children.
7. The Globalist Cabal aims to eliminate Christianity and Western Civilization from the Earth forever.
8. The Globalist Cabal control and have allied with the CCP in China to conquer the globe by eliminating all national military forces with the DeathVaxx.
9. Your Governments are no longer your governments, they are bought and paid conspirators in the intentional, premeditated and long-ago planned murder of yourself, your family and all of your descendants.

Choose your fear. Only by embracing one fear, can you hope to live as you have always lived, FREE AND HUMAN.

CREDITS: The photo above is of a exome which is believed to be a Corona Virus. But since no virus has ever been isolated, it might as well be only an exome of a bacteria. This photo is touted as a photo of SarsCov2, but it is no such thing.
